

Pure source,
pure essential oils.

Aura Cacia® searches all over the globe to find the purest and best plant sources for our essential oils. We seek out sustainable farms that qualify for Well Earth™ certification and ensure that every shipment passes a rigorous, five-point test to verify product purity. We go to great lengths to deliver 100% pure essential oils because today's consumers demand natural, healthful products. To find out more about Aura Cacia's Well Earth™ program and our 100% pure essential oils, visit www.auracacia.com.
