THINGS YOU SHOULD KNOW ABOUT

Located in the heart of American farm country, Aura Cacia® is the original, trusted essential oil brand. Call it our Midwestern work ethic, but our job's not done 'til it's done right. That starts with making the highest quality products possible. But it doesn't end there. We source our botanicals sustainably. We operate as a co-op, which means all our members have a say in everything we do. And we give back to the communities where we do business. Kind of a "Golden Rule" way of being. Because in our view, being upstanding isn't a choice.....it's a way of life.

- 1** We are a co-op.
- 2** We've been an industry leader for over 30 years.
- 3** Our essential oils are 100% pure—guaranteed.
- 4** We ensure our oils are sustainably sourced.
- 5** We offer a variety of products.
Essential Oils • Skin Care Oils • Mineral Baths • Foam Baths
Bubble Baths • Body Mists • Kids Foam Baths

We know and visit our true source and put the country of origin on our labels. 

We were the first, and still one of the only companies to have an in-house GC/MS machine that is used on every single shipment of oil to confirm 100% purity. 

We give back - patronage dividends paid out in cash to our member/owners 

3.5%-4% of profits given back to local and global community projects and organic research
