

AURA CACIA® Must-Have ESSENTIAL OILS

Our essential oils are sourced carefully and sustainably from the best sources around the world, and each shipment must pass full analytical testing to verify purity and quality. Learn more about each oil at auracacia.com.

LAVENDER

Use for: Relaxing when you feel edgy. Distilled from the premium species to inspire relaxation throughout your day.

EUCALYPTUS

Use for: Inspiring a deep breathing practice. Aura Cacia eucalyptus is good in salves, muscle rubs and clarifying diffusions.

LEMON

Use for: Renewing a clean living space. Expressed from the peel of Italian fruits, Aura Cacia lemon oil is fresh and fruity.

PATCHOULI

Use for: Inspiring a balanced approach in self-care. Aura Cacia patchouli is grown and distilled by farmers in Indonesia.

CLOVE BUD

Use for: Evoking a comforting sense of home. Aura Cacia clove oil is distilled from the whole dried flower buds.

LEMONGRASS

Use for: Revitalizing cleansing applications. Well-loved Aura Cacia lemongrass has a cleansing, lemon-like aroma.

PEPPERMINT

Use for: A cooling sensation. Aura Cacia Yakima Valley peppermint is distilled to uncover a suave, minty aroma.

TEA TREE

Use for: Purifying stagnant air spaces. Aura Cacia tea tree is grown in its native Australia on locally owned farms.

SWEET ORANGE

Use for: Cheering a downtrodden spirit. Cold pressed from Florida and Brazilian grown oranges for a fresh, sweet aroma.

ROSEMARY

Use for: Activating aroma for body care. Aura Cacia rosemary is sustainably distilled by using the spent rosemary as fuel.

FRANKINCENSE

Use for: Restoring your well being. Aura Cacia frankincense is extracted from wild-harvested East African tree resin.

GRAPEFRUIT

Use for: Dispelling bad air and bad vibes. Aura Cacia grapefruit is pressed from the rind to obtain a fresh, bright aroma.

AURA CACIA®

Uses For ESSENTIAL OILS

Always dilute essential oils before use. For dilution guidelines and more usage information, peel open the label on your Aura Cacia essential oil.
