

AURA CACIA® Must-Have **ORGANIC** ESSENTIAL OILS

Distilled from certified organic botanicals and verified from field to you, Aura Cacia Organic Essential Oils are a premium choice for wellness. Learn more about each oil at auracacia.com.

ORGANIC BERGAMOT

Benefit: Inspiring
Use for: Inspiring the creative process.
Expressed from the fruit peel of Italian-grown bergamot oranges.

ORGANIC BLOOD ORANGE

Benefit: Refreshing
Use for: Refreshing when you're cleansing.
Cold pressed from fresh blood oranges in Italy, giving it a fruity, tart aroma.

ORGANIC CINNAMON LEAF

Benefit: Revitalizing
Use for: Revitalizing uncomfortable airspaces.
Distilled from the leaves of the true, verum species of cinnamon in Sri Lanka.

ORGANIC CLOVE BUD

Benefit: Comforting
Use for: Comforting as a diffusion.
Our organic clove is distilled from the whole dried flower buds in Indonesia.

ORGANIC FRANKINCENSE

Benefit: Restoring
Use for: Restoring your sense of well-being.
From Grade-A resin, sustainably harvested from wild-growing trees in Somalia.

ORGANIC GRAPEFRUIT

Benefit: Revitalizing
Use for: Revitalizing when you feel drained.
Expressed from the fruit peels of US-grown organic grapefruit.

ORGANIC BLACK PEPPER

Benefit: Warming
Use for: Warming aroma for muscle care.
Our black pepper is distilled from ripe peppercorns grown on farms in Madagascar.

ORGANIC CARDAMOM

Benefit: Warming
Use for: Soothing in a body massage.
Certified Well Earth to support the grower community in Guatemala.

ORGANIC CLARY SAGE

Benefit: Balancing
Use for: Balancing during life changes.
Sourced from a co-op, Aura Cacia clary sage provides a balancing herbal, floral aroma.

ORGANIC EUCALYPTUS

Benefit: Clearing
Use for: Clearing your sense of breath.
Australian radiata species with a less camphor-like and more leafy-fresh aroma.

ORGANIC GERANIUM

Benefit: Balancing
Use for: A balancing aroma for body care.
This certified organic Egyptian Geranium is distilled from the leaves and stems.

ORGANIC HOLY BASIL (TULSI)

Benefit: Comforting
Use for: Comforting your mind.
Distilled from the fresh leaves in India, where this basil is most revered.

AURA CACIA® Must-Have ORGANIC ESSENTIAL OILS

ORGANIC LAVENDER

Benefit: Relaxing

Use for: Relaxing when you feel edgy.

This Bulgarian-sourced lavender is distilled from the flowers picked at peak bloom.

ORGANIC LEMON

Benefit: Renewing

Use for: Renewing your personal space.

Cold pressed from lemons grown in the mild Mediterranean climate.

ORGANIC OREGANO

Benefit: Purifying

Use for: Purifying your sense of well-being.

Grown in Hungarian fields and distilled from the leaves and flowering tops.

ORGANIC PEPPERMINT

Benefit: Cooling

Use for: A cooling feeling.

This peppermint is sourced from organic fields in India and features a well-liked aroma.

ORGANIC ROSEMARY VERBENONE

Benefit: Clarifying

Use for: Clarifying for muddled thinking and sluggish states.

This South African 'verbenone' variety has a soft, less intense camphor-like aroma.

ORGANIC TEA TREE

Benefit: Purifying

Use for: Purifying throughout your day.

Distilled from trimmed branches and leaves on a family-run farm in Australia.

ORGANIC YLANG YLANG III

Benefit: Soothing

Use for: Soothing to upset feelings.

Madagascar-sourced and certified Well Earth to help the grower community.

ORGANIC FRENCH LAVENDER

Benefit: Relaxing

Use for: Calming when you're awake.

Grown and distilled in France, with its long history of lavender cultivation.

ORGANIC MYRRH

Benefit: Centering

Use for: Centering in chaotic conditions.

Distilled from the oleo-gum-resin of sustainably tapped trees in Somaliland.

ORGANIC PATCHOULI

Benefit: Balancing

Use for: A balancing aroma for body care.

This patchouli is grown and distilled in Indonesia.

ORGANIC ROSEMARY

Benefit: Activating

Use for: Activating aroma for purifying applications.

Moroccan-sourced and certified Well Earth to help the grower community.

ORGANIC SWEET ORANGE

Benefit: Refreshing

Use for: Refreshing your home and space.

Recovered from the fresh peels during the juicing process of organic oranges.

ORGANIC VETIVER

Benefit: Grounding

Use for: Activating aroma for purifying applications.

Distilled from carefully dug, washed and dried roots on the island of Madagascar.

ORGANIC YLANG YLANG COMPLETE

Benefit: Balancing

Use for: Balancing aromatherapy for skin.

"Complete" oil, from Madagascar, contains the entire distillation from start until the flowers are exhausted.

MOVING LIVES FORWARD with an annual grant program that supports organizations helping women transform their lives.
