

8oz Vanilla Extract

We are pleased to announce the introduction of our new 8 oz Vanilla Extract, Certified Organic. Our pure, organic extract is made using vanilla beans sourced from small farmer co-ops in Madagascar. Vanilla will always be a key ingredient in desserts, but it is now commonly used in smoothies, savory dishes and even DIY cleaning. More uses requires a bigger, more beautiful bottle!

SIMPLY ORGANIC SUPPORTS ORGANIC AND SUSTAINABLE FARMING COMMUNITIES.

	ORIGIN: Madagascar INGREDIENTS: Organic Vanilla Bean Extractives in Water, Organic Alcohol.	UNITS/CASE: 6	
			

**ETO (ethylene oxide) is a sterilization chemical commonly used in the spice industry, but never by Simply Organic.*

features and benefits

- Simply Organic 4 oz is the leading organic vanilla extract sold in both the natural and conventional channels as measured by SPINScan.
-  Simply Organic supports organic and sustainable farming communities.
- Expanded uses for vanilla extract means consumers need a larger, cost-effective bottle. Compared to the SRP for 2 oz and 4 oz vanilla extract, savings are 22% and 8% respectively.
- **DUAL PURPOSE MASTER CASE BOX** – 6ct case box comes with perforated tear off front. Perfect for endcap merchandising at key selling periods.
