CALMING LAVENDER FOAM BATH

Gently formulated for everyday use, Aura Cacia's Calming Foam Bath features lavender and citrus essential oils to create a relaxing bath experience for your little ones.

DID YOU KNOW? Ducks love taking baths because their feathers are waterproof. They make a special oil to spread over their outer feathers, so water can't get through. Under the waterproof feathers, there are fluffy feathers that keep the duck cozy and warm.

DIRECTIONS: Pour desired amount into running bath water. Due to the foaming nature of this product, use sparingly in whirlpool tubs.
