CHEERING TANGERINE FOAM BATH
Gently formulated for everyday use, Aura Cacia's Cheering Tangerine Foam Bath features tangerine and sweet orange essential oils to create a fun-filled bath experience for your little ones. **DID YOU KNOW?** Every dolphin has its own whistle — much like we each have a different voice. Groups of dolphins who live far apart seem to have trouble understanding each other. It's almost like they have different languages. **DIRECTIONS:** Pour desired amount into running bath water. Due to the foaming nature of this product, use sparingly in whirlpool tubs.
